Dear Executive Directors:

As you know, we had to pause all routine Accreditation activities for six months due to the COVID-19 pandemic and push the spring 2020 cycle to the fall. This created a domino effect that will push ALL inspections one cycle into the future. In essence, EBAA has granted an additional six months of accreditation to the entire body of Accredited banks.

I have attached a new accreditation certificate for your eye bank which reflects the updated accreditation period.

Sincerely,
